Description:

StandUnited gives supporters of free enterprise and limited government a platform to take a stand and make an impact.

Since launching in 2015, StandUnited has hosted more than 1,000 petitions that have together earned more than one million signatures. Top organizations such as the Republican National Committee, Judicial Watch and the American Medical Association have adopted the StandUnited platform for their petitions.

StandUnited petitions are a great source for news stories. And they often represent the opposite viewpoint on issues supported by the liberal petition sites.
