Description:

These individuals are proud conservative donors who have supported a wide array of conservative causes, candidates, and organizations. They are highly responsive to political causes and were generated over several campaigns in several campaign cycles. When making contributions, the average gift was $250 or less, but many have the ability to make large donations and purchases online.

These individuals are already engaging in 2024 activities and aiding in the support of the Trump agenda. During the 2022 election cycle, these individuals responded in droves to many fundraisings and GOTV efforts on behalf of Presidential Candidates, PACS, statewide candidates and organizations.

Members of this list are strongly in support of President Donald Trump's America First Movement.
