Description:

The Firearms Network is a combination of email subscribers from these sites and more: Action Hub, AllOutdoor, Outdoor Hub, Duck Hunting Chat, Defensive Carry, Glock Talk, Gun Boards, Survivalist Boards, and the Firearm Blog.

Subscribers have a strong passion for firearms, the outdoors, fishing, hunting, pets, and powersports. More than half of them go to the gun range weekly, spend at least \$500 or more on firearms in a calendar year, have a strong interest in conservative politics, and are at least age 55 or older. These individuals subscribe to these lists for these interests and participate in many of the forums in this network where advertisers can also target them with native ads, pre-roll, and display advertising.
