### Description:

Conservatives everywhere feel helpless as individuals and don't know how to save America from the liberals and socialists. However, if we all join together, we can start to take back our country by creating a massive grassroots army of conservatives.

Right now there are thousands of small conservative groups trying to promote the cause but there isn't one large conservative organization with enough clout to do any good. That leaves a huge void to be filled by 75 Million United, a 501(c)(4) nonprofit.

We need to be bigger and stronger than the teacher's unions that have 2,300,000 members. You witnessed their power during COVID-19 when they got the Biden administration to shut down schools. That is the kind of power we need with 75 Million United and we can do it with your help. Remember, "United We Stand, Divided We Fall".
