Description:

The Times of Israel is a Jerusalem-based online newspaper founded in 2012 to document developments in Israel, the Middle East and around the Jewish world.

It was established by veteran UK-born, Israeli journalist David Horovitz and his US-based capital partner Seth Klarman. Horovitz is the founding editor, responsible for the site's editorial content.

The Times of Israel has no partisan political affiliation. It seeks to present the news fair-mindedly and offers a wide range of analysis and opinion pieces.

We also highlight developments from Jewish communities throughout the Diaspora, and thus serve as a global focal point for the Jewish world – informing and engaging members of the tribe everywhere.
